

SHOULDER PRESS

VST600-S23

MAKE A STRONG SELECTION

When it comes to toning and building deltoids in your fitness center, our selectorized shoulder press station is tougher than you can imagine and more comfortable than you'd expect. Independent converging motions encourage a natural path of movement for ultra-smooth performance. It's been tested to withstand over a million reps, more than four times the industry standard, and an easily adjustable ergonomic design makes it comfortable for virtually anyone to sit down and start redefining their shoulders.
