

G1 8-stack Multi-Station

G1-MS80

- Exercise motion is smooth and fluid, which is the type of performance your customers expect from our strength equipment.
- Made of heavy-gauge steel tubing, G1 equipment is solid and stable, providing the durability you need.
- Conveniently located adjustment points are clearly marked for ease of use.
- For user comfort, our machines are built to make it very easy to approach the machine and get in and out of the exercise position.
