

Magnum 5-Pair Pro-Style Dumbbell Rack

MG-A505

The Magnum 5-pair Pro-style Dumbbell Rack provides dumbbell storage space for five pairs of pro-style dumbbells up to 68 kg / 150 lbs. with a max storage weight of 635 kg / 1,400 lbs. The walk-up design makes accessing heavy dumbbells easier, while the 15-degree angled trays help prevent wrist strain when removing and replacing dumbbells. Dumbbell cradles and a solid tray design provide stability and secure storage in the most rigorous training environments. Tubular construction offers lasting strength and durability along with a distinctive aesthetic. Bolt-down tabs located on the front of each leg provide added stability. Available options include a decal sheet (MG-AODS) and a connector plate (MG-AOCP) that lets you connect multiple racks.
