PREMIUM LED CONSOLE

E-PS-PLED

The premium design of our durable Performance Elliptical offers a dynamic exercise experience. Patented suspension design minimizes noise and friction to extend product life, while constant rate of acceleration and refined ergonomics make workouts ultra-smooth and comfortable. A removable disk streamlines service and maintenance, minimizing downtime.

Give members the intuitive navigation of an LED with a more engaging look. An 8,000-pixel display fills the screen with colour and sharp graphics, providing clear, easy-to-read feedback in large numbers and letters.
