MATRIX

Endurance Recumbent Cycle

TOUCH CONSOLE

R-ES-TOUCH

Our Endurance Recumbent Cycle distributes weight and offers excellent support for a low-impact cardio workout. Custom-molded, adjustable touchpoints and an ergonomically sculpted seat and back pad enhance comfort for users of all sizes and ability levels, while smart design features streamline service for technicians and simplify placement for facilities.

WiFi-enabled Touch Console features an app-based interface that mirrors familiar smartphone and tablet operating systems, making it easy for members to connect to the content that keeps them moving.

Note: Products with Touch Console must be connected to a power source.
